Camperships:

Available Now!

We are thrilled we are able to offer camperships for both our GNYC units and our out-of-council friends.

Camp plays a crucial role in keeping Scouts engaged and passionate about the program, and we're honored to help build confident, resilient youth through our summer camps at Ten Mile River.

Countdown to Keowa

Issue #2 - February 5th

Updates & Information

New Message

From: Zachary Swierat, Director of TMR

Subject: Camper Deposit Due Date Extension

We were made aware that some of our units are receiving an error message stating the address is “not verified”. This seems to be an issue with our credit card processing system and the billing zip code.

As we work to resolve this issue, we have found that if you add your **full zip code**, including the **extra 4 digits**, it will accept payment.

To account for this, we will **extend the deadline** for deposits to **Wednesday, February 7th**.

Thanks!

Zachary Swierat | *Outdoor Program Director*
