

**Attention Scouts!** The Keowa Universe is expanding, and we need a new champion. Does your troop have what it takes to design the ultimate Keowa Superhero? Put your creativity to the test and earn **Honor Troop Points!**

### **Your Mission**

Work together as a patrol to design and "build" an original superhero that embodies the spirit of Camp Keowa and/or the values of Scouting. You must present your hero in a full **costume** to the staff judges, explain the **powers** and **origin story**.

### **Presentation Requirements:**

- *The Look* (Costume & Aesthetics):  
You must create a physical costume using whatever materials you can (neckerchiefs, cardboard, duct tape, tarps, or anything else, but the final product must be homemade).
- *The Powers*:  
When you present, tell the judges your hero's three specific superpowers. How do these powers protect Keowa?
- *The Origin Story*:  
Where did they come from? Were they forged in the waters of Crystal Lake? Did they gain powers after a legendary campfire? Keep it under 60 seconds!

### **Judging Criteria**

Your overall presentation of the above will be judged on:

- *Creativity*: How unique is the look and the concept?
- *Keowa/Scouting Spirit*: How well does the hero connect with our camp and Scouting America in general?
- *Effort*: Did the troop work together to create a "wow" factor?

### **The Presentation:**

Be ready to show off your hero at Thunderbird Theater, Wednesday at 7pm to kick off the camp-wide games!
