

TEN MILE RIVER SCOUT MUSEUM

TURN-BY-TURN HIKING DIRECTIONS

FOR THE

TEN MILE RIVER HISTORICAL TRAILS RECOMMENDED HIKE ROUTES MAP BOOK

HOW TO USE THIS BOOK

These turn-by-turn hiking instructions document various hikes at the Ten Mile River Scout Camps that satisfy the hiking requirements for the Ten Mile River Historical Trails award. Each hike documents a specific trail route and is identified with a code number (i.e. 10-A, 14-B, 30-C) as follows:

- Numbers starting with a “10” will satisfy the hiking requirement for the trail medal.
- Numbers starting with a “14” will satisfy the hiking requirement for the trail medal plus 14-miler pin.
- Numbers starting with a “30” will satisfy the hiking requirement for the trail medal plus 30-miler pin.

This document is designed to be used with the **Ten Mile River Historical Trails Recommended Hike Routes Book**, which contains a detailed trail map for each trail route in this book.

Here is how to interpret each hiking instruction and use it with the **Recommended Hike Routes Book**.
