Bookable Program: All bookable programs are individually slotted per day, e.g., if you book Tubing at 4:00 pm, you must pick one day of the week for this activity. All bookings should occur before arriving at camp. This can be done by emailing Asst. Camp Director of Program Jason Toledano at jason.toledano@scouting.org with your requests. You may book at most three in-camp programs prior to arrival. More slots may be available once the week begins and other units have waived their right to reserve programs.
