Check-In/Check-Out Procedures

Please check in at the trading post. There will be signs directing you there.

At check-in all rental fees must be paid in full before you can occupy your rental cabin. If possible try to have all rental fees paid in advance of your arrival. This will expedite your family getting settled.

The following items should be brought to check-in:

- Greater New York Councils receipt showing all rental fees you have paid to date.
- Greater New York Councils Health History & Examination Form completed and signed by a licensed physician for each member of your family and any guest.
- Cash, check, credit card or debit card to pay any rental balance, and \$50 for your cabin key deposit. Checks should be made payable to “GNYC, BSA”.

Reservations for 2018 can be made any time during your stay.

Deposits

At check-in a cabin key will be issued to you. A \$50 refundable deposit will be charged and will be refunded to you upon check-out, provided the cabin is left in good order and the key is returned.

Check-in is at 2:00 p.m. on Sunday. (Earlier check-in is possible if your cabin is ready for you).

Check-out is at 11:00 a.m. the following Sunday. We ask that all guests adhere to this checkout time as we must get your cabin ready for incoming guests.

About Our Program

The main objective of the Camp Lakeside at Family Camp program is for you and your family to have fun. Rain or shine, there is plenty to do at Camp Lakeside at Family Camp. Throughout the summer we have fishing contests, hikes, softball games, campfires and water Olympics. Daily programs include instructional and recreational swimming, boating, archery and mountain biking. There are also scheduled nature walks, canoe trips on the Delaware River, rappelling at Indian Cliffs and rifle and skeet shooting. In the evening, we have our Sunday night ice-cream social, bingo night and craft night. Families can participate in any or all of our program activities.

Religious Services

There are chaplains and chapels located in the other camps at Ten Mile River which provide religious services in several faiths. There are also houses of worship throughout the neighboring communities.

Trading Post and Laundry Facility

An expanded trading post and coin operated laundry facility is on site. The trading post is located between cabins 13 and 14 at lakeside. Here you will be able to purchase souvenirs, shirts, jackets, candy, soda and ice cream. We also will be stocking charcoal, grills, fishing and camping supplies.

The Surrounding Community

While you're at Camp Lakeside at Family Camp, you may wish to explore the towns near TMR. It's a good idea to notify the camp office when you are leaving camp in case we get telephone messages for you. See ["The Delaware Community" on page 38](#) for ideas on places to visit. The Camp Lakeside at Family Camp staff will be glad to direct you to these locations as well as restaurants and other places of interest in the area.

When going on a hike always tell the camp office where you are going.

What to Bring Checklist

Think of your Camp Lakeside at Family Camp cabin as an empty apartment furnished only with beds, a kitchen table and benches and you will know the kinds of things to bring to camp. Remember also, you are in the woods where humidity is high. Clothing and shoes take a long time to dry.

Each cabin has a stove, refrigerator and cabinets. The nearest grocery/supermarket is about 14 miles away from Camp Lakeside at Family Camp. We do not sell food other than candy, snacks and soda at the camp so you will need to shop.

Don't Forget to Pack

- Pots and pans
- Dishes and flatware
- Cleaning Supplies – dishwashing liquid, cleansers, sponges, and paper towels
- Groceries (you can also purchase these in nearby towns)
- Single or flat sheets – except for Schiff Cabins, which have one double bed and bunk beds and day beds

Camp Lakeside at Family Camp Rules

At Camp Lakeside at Family Camp, we follow the same rules as the rest of Ten Mile River, as detailed earlier in this guide, starting on [page 18](#). A few rules apply specifically to Camp Lakeside at Family Camp, as follows:

Supervision. The Camp Lakeside at Family Camp staff are not baby-sitters. Parents are responsible for the discipline of their children. If your child is involved in a Camp Lakeside at Family Camp activity, you or a designated adult should be with him/her at all times. This is especially true at the waterfront.

First Aid. A first aid box is located in cabin 16 and the staff can treat very minor injuries. A smaller first aid box is kept at Camp Lakeside at Family Camp's waterfront. Please report any injury, no matter how insignificant it may seem to you to any Camp Lakeside at Family Camp staff member.

Special Note on Graffiti, Nails and Staples

In years past the use of nails and staple guns to hang curtains and other such items was allowed. The practice of hammering large nails into the walls has caused many electrical problems, is unsightly and, in some cases, dangerous. We ask that you do not use these methods to hang items. We have installed hook racks at various locations in the cabins. In addition we will supply you with extra large push pins that you can use.

Please report any graffiti in your cabin to any staff member. A lot of effort and time was put into fixing up the cabins and we would like to keep them graffiti free.
