

Sample Trek Schedule

Each crew or trek unit is encouraged to work with the trek staff in designing their own unique schedule. Every trek is designed following each unit's own goals, activities and schedules. Activities such as swimming, fishing, water skiing, tubing, climbing, rappelling, shooting (rifle range), C.O.P.E., canoeing, and more can be incorporated into your program. Challenge yourself and be a 50 Miler.

Trek begins at the home camp where the group checked in on Sunday.

Sunday

- Check in at "base camp." Base Camp can be any of the camps that form TMR Scout Reservation. For this sample trek schedule the base camp is at Camp Keowa.
- Please have your unit roster, all medical forms, and receipts ready.
- Stow gear at trek tent site.
- Dock test (swim test)
- Trek director and the trek guide for the unit will meet to review your trek program.
