

PROGRAM REQUEST SHEET - CAMP KEOWA

Update: 4/2/20

Hello and thank you for camping with us at Camp Keowa at Ten Mile River Scout Camps! We are very excited to have you.

We offer a wide variety of programs at camp. It is our mission to give the youth in scouting the greatest experience we possibly can. We do this by providing unique programs that scouts cannot do anywhere else in their lives, such as driving a motorboat or riding an ATV. Often, scouts may not get to experience everything that our camp has to offer due to their packed Merit Badge schedule. That is why we provide the ability for units to “book” a program during a certain time block, so that your scouts are able to have these potentially life-changing experiences.

All of our programs inside and outside of the Keowa property are listed below. In order to book a time slot, you must send an email to the Asst. Camp Director of Program, Jason Toledano, at jason.toledano@scouting.org, with the contents of what programs you would like to book. In this email, please provide: the Program Type, Day, Time, and Number of Youth/Adult Participants (with the numbers separated by a slash).

For any “9 to 5” programs, you do not need to include the Time. For Landers River Trips, please specify how many participants will be using a Canoe or Kayak.

All Payments will be made during Program Check In on the Sunday of your unit’s arrival.

All Bookings should occur prior to arriving to camp. This can be done by emailing the Asst. Camp Director of Program, Jason Toledano, at jason.toledano@scouting.org with your requests. You may book a maximum of 3 in-camp programs prior to arrival. More slots may be available once the week of program begins and other units have waived their right to reserve programs.

Here is a sample booking of programs:

1. Archery, Tuesday, 7PM, 7 Youth/3 adults (or 7/3)
2. Tubing, Wednesday, 4:00PM, 6 Youth
3. Landers River Trip, Friday, 10 Youth/10 Adult, 5 Canoes, 10 Kayaks
